The Centre is a Community College focused on adult education and service provision based in North East Victoria and providing programs along the Hume corridor down to Wallan.

LEARNING OPPORTUNITIES
People will be active and engaged through the breadth of age, gender, location, and learning style. There will be a continuous program of classes, training, workshops, and programs to support people in learning and achieving their goals. The Centre is a learning community where people can develop knowledge, life skills, and trade skills in areas they are interested in.

STAFF
The Centre provides flexible and responsive, comprehensive training where people are supported by trained and properly accredited team members.

GET INVOLVED
BECOME A VOLUNTEER
We welcome volunteers of all ages who enjoy the company of older people and want to make a difference. You can make a difference to a vulnerable or isolated person in Wangaratta, by becoming a CareSaver. If you know someone who would be interested, visit our website today.

COMMUNITY VISITORS SCHEME
Volunteers who assist our community to make a difference to the elderly or those who need assistance. Jobs include helping with activities, shopping, and providing company. The Centre can support you in becoming a volunteer to make a difference to someone in need.

GETTING THERE

 Nurses should complete a Certificate II in Community Services. This course will develop your skills in working with individuals and families who have mental health needs. We also offer a range of short courses that can be completed in one day or over a longer period. The Centre is proud to be partnering with Schools and Early Learning Centres to assist parents with pathways from informal, social learning to formal adult learning. This is facilitated through a variety of activities, such as workshops and group exercises, to engage with both children and their families.
