

Strategic Directions 2024-2027

Vision Empower individuals and strengthen communities through innovative, inclusive and impactful programs and services

Our why Communities thrive when opportunities are created for all

Strategic focus areas	Needs-based work	Business diversification	Staff and culture	Partnerships	Awareness and impact	Support systems
We will work together to	Ensure that programs and initiatives meet evolving community needs and have a measurable impact.	Diversify our funding sources and program offerings to ensure financial resilience	Maintain a skilled, resilient, motivated and cohesive workforce with positive values and culture.	Build strong and sustainable partnerships to improve and extend programs and community connections.	Build awareness and engagement to maximise <i>The Centre's</i> beneficial impact for individuals and communities.	Continue to develop our infrastructure and systems to ensure that they are fit for purpose and resilient.
Key strategies	<ul style="list-style-type: none"> Consult with community and stakeholders to inform program development. Develop and refine programs based on data analysis and community and stakeholder feedback. 	<ul style="list-style-type: none"> Innovate and specialise in program delivery to meet community need. Expand revenue streams beyond traditional funding sources for financial stability and growth. Explore viability of new options. 	<ul style="list-style-type: none"> Implement comprehensive professional development program. Enhance staff retention and job satisfaction. Prioritise culture, resilience, empowerment, and recognition. 	<ul style="list-style-type: none"> Identify and cultivate strategic partnerships across sectors (education, corporate, community, government, philanthropy). Leverage partnerships for financial sustainability and program diversity. 	<ul style="list-style-type: none"> Enhance <i>The Centre's</i> visibility and reputation through targeted marketing and strategic partnerships. Measure and communicate impact effectively. 	<ul style="list-style-type: none"> Enhance data driven decision making to assess impacts and guide strategic decisions. Continue to adopt technologies to enhance participant experience and organisational efficiency.

Values We show **respect** by acknowledging diversity through acceptance, empathy and inclusion of others and ourselves.

We act with **integrity** by being accountable in everything we do and strive for excellence by always being fair, honest and transparent.

We **empower** by providing a safe environment that values every person's potential and their right to thrive.

We **collaborate** by making connections and developing strong relationships with individuals and the community to build brighter futures.
